Synopsis

In the wake of a devastating electromagnetic pulse that plunges the world into chaos, a group of ordinary people must band together to survive in a desolate wasteland. As society crumbles and the rule of law dissolves, they face not only the threat of starvation and violence but also the haunting realization that the world they once knew is gone forever.

Led by Jack, a former soldier, and Emily, a resourceful doctor, the group embarks on a perilous journey to find a safe haven. Along the way, they encounter dangerous raiders, desperate scavengers, and the remnants of a shattered government. Each day brings new challenges and forces them to confront the darkest aspects of human nature. Yet, amidst the chaos and despair, they also discover hidden reserves of strength, resilience, and the indomitable will to survive.

Themes

- The fragility of civilization
- The importance of community and cooperation
- The human capacity for both good and evil
- The power of hope in the face of adversity

Reviews

"Days of Want is a gripping and thought-provoking survival thriller that will stay with you long after you finish reading it. This is a must-read for fans of the genre and anyone who wants to be prepared for the unthinkable." - Our Book Library reviewer

"A chilling and realistic portrayal of a post-apocalyptic world. The characters are relatable and well-developed, and the story is both heartbreaking and hopeful. This book will make you question your own preparedness and the choices you would make in such a situation." - Goodreads reviewer
