As Alex delves deeper into the mystery surrounding his patient's illness, he uncovers a web of secrets and lies that reaches the highest levels of power. He soon realizes that the stakes are much higher than he ever could have imagined, and that the people he trusts the most may be the ones who want him dead.

With each passing day, Alex finds himself in greater danger. He is followed, threatened, and even attacked. But he refuses to give up, determined to uncover the truth and protect his patient. As the body count rises and the conspiracy tightens its grip, Alex must race against time to find the killer before it's too late.

First Do No Harm is a gripping medical thriller that will keep you on the edge of your seat from beginning to end. With its intricate plot, complex characters, and heart-pounding suspense, this novel is a must-read for fans of the genre.
