If you're like most parents, you're probably feeling a mix of emotions. You're proud of the adults they've become, but you're also scared of them leaving the nest. You want to be there for them, but you also know that you need to let them go.

That's where *How to Successfully Launch Adult Children (Or Die Trying)* comes in. This book is your blueprint for helping your adult children launch

into adulthood with confidence and success.

In this book, you'll learn:

- How to let go of the apron strings and allow your adult children to make their own mistakes.
- How to communicate with your adult children in a way that respects their independence but also lets them know that you're still there for them.
- How to avoid the common pitfalls that can make it difficult for adult children to launch successfully.

With practical advice and real-life examples, *How to Successfully Launch Adult Children (Or Die Trying)* will help you prepare your children for the challenges and opportunities of adulthood.

If you're a homeschooling parent who wants to help your adult children launch into adulthood with confidence and success, then this book is for you.
