

Making Life at the End of the World: A Journey Through the Landscape of Death and Rebirth

In March 2011, a massive earthquake and tsunami devastated the northeastern coast of Japan. The disaster left more than 18,000 people dead or missing, and it caused widespread destruction. In the aftermath of the disaster, author Susan Casey traveled to Japan to see the devastation firsthand and to learn about the resilience of the human spirit in the face of adversity.

Casey's book, *Making Life at the End of the World*, is a moving and thought-provoking account of her journey. She visits the devastated areas, talks to survivors, and learns about the challenges and triumphs of rebuilding their lives. Casey also explores the larger questions about life and death, and the meaning of hope in the face of despair.

Making Life at the End of the World is a powerful and inspiring book that offers a unique perspective on the aftermath of disaster. Casey's writing is both beautiful and unflinching, and she does not shy away from the difficult questions. This is a must-read for anyone who is interested in the human spirit, and for anyone who has ever wondered what it would be like to survive a disaster.
