About the Author

Piers Anthony was an American science fiction and fantasy author. He was the author of over 100 books, including the Xanth series, the Proton series, and the Battle Circle series. His work has been translated into over 25 languages and has sold over 50 million copies worldwide.

Anthony was born in Oxford, England, in 1934. He emigrated to the United States in 1955 and became a naturalized citizen in 1958. He began writing in the early 1960s and published his first novel, *Sos the Rope*, in 1968. He went on to write over 100 novels and short stories, many of which became bestsellers.

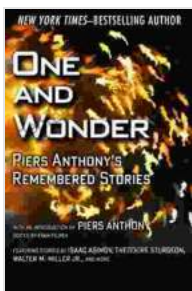

Anthony's work is known for its humor, wit, and vivid imagination. He was a master of world-building and creating memorable characters. His stories often explored themes of identity, freedom, and the nature of reality.

Anthony received numerous awards for his work, including the Hugo Award, the Nebula Award, and the World Fantasy Award. He was also inducted into the Science Fiction Hall of Fame in 2008.
