## Synopsis

'Show For Two' is a captivating novel that explores the complex dynamics of family, identity, and the transformative power of self-discovery. At its heart lies Ariadne "Ari" Khan, a young Bangladeshi-American woman grappling with the weight of her family's expectations and the yearnings of her own heart.

Caught between the traditional values of her immigrant parents and her own aspirations, Ari embarks on a poignant journey of self-exploration. Along the way, she encounters a cast of unforgettable characters, each with their own unique story and perspective to share.

As Ari navigates the complexities of love, loss, and cultural identity, she uncovers hidden truths about herself and her family. With every step she takes, she discovers the strength within her to forge her own path and define her own destiny.
