Prepare yourself for a literary journey that will challenge your preconceptions, ignite your emotions, and leave an enduring mark on your heart. "The Horses Know Trilogy" is a masterpiece of storytelling that delves into the intricate tapestry of human nature, the transformative power of love, and the indomitable spirit of redemption.

Book 1: The Horses Know

In the heart of Kentucky's Bluegrass Country, a world of horse racing and high stakes unfolds. When a young woman named Maggie O'Brien inherits a legendary horse farm from her late father, she is thrust into a world she knows little about. Determined to prove her worth, she embarks on a perilous journey to restore the farm's former glory and uncover the secrets that lie beneath its surface.

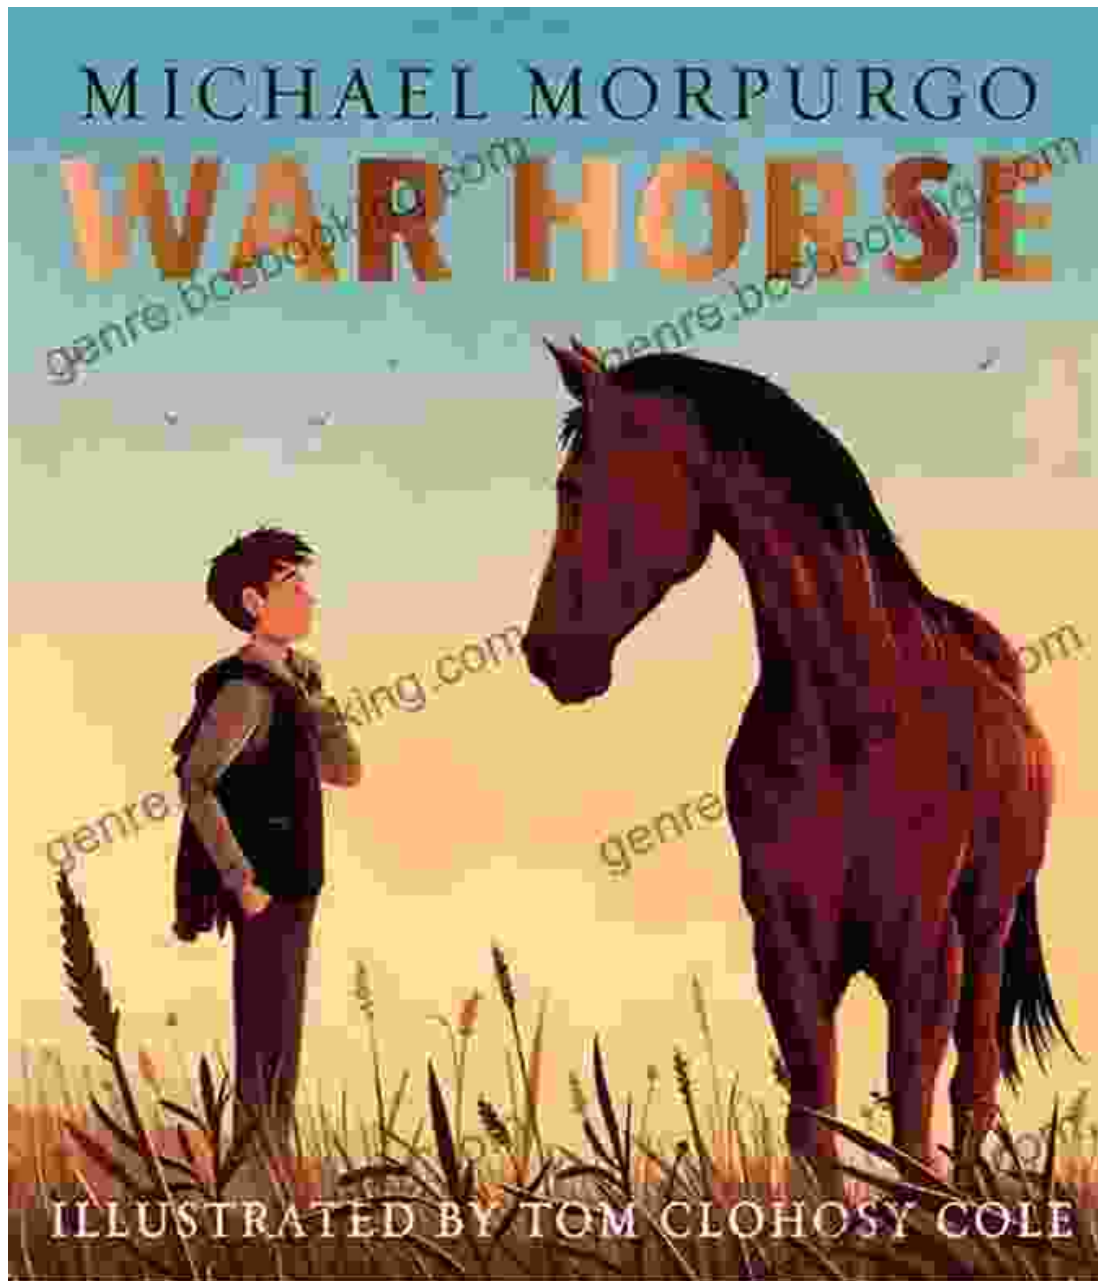

As Maggie navigates the treacherous waters of horse racing, she encounters an enigmatic trainer named Jake, whose troubled past and undeniable talent hold both promise and danger. Together, they form an unlikely bond that will be tested by love, loss, and the relentless pursuit of victory.

Book 2: The Horses Remember

As the stakes climb higher and the pressure intensifies, Maggie and Jake's relationship faces its ultimate test. Haunted by the ghosts of the past, they must confront their own demons and the unforgiving nature of the racing world.

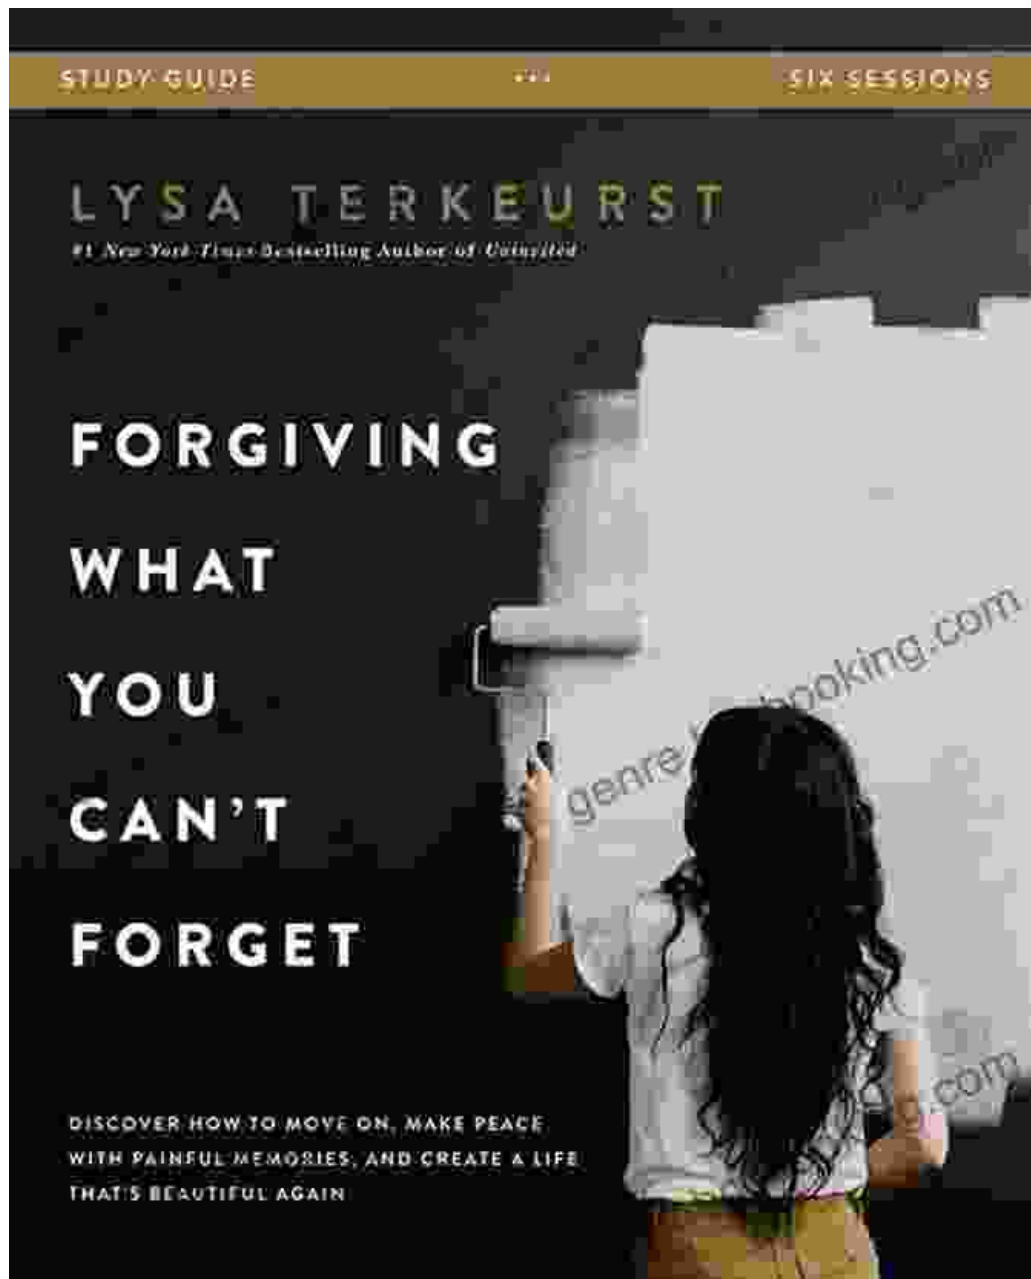

In a race against time, Maggie uncovers a web of deceit and corruption that threatens to destroy everything she has worked for. With the help of a wise old jockey and the unwavering support of her horses, she embarks on a quest for justice and redemption.

Book 3: The Horses Forgive

In the heart-stopping to the trilogy, Maggie and Jake face their greatest challenge yet. As they navigate a life-altering tragedy, they must find the strength to forgive, embrace the power of love, and discover the true meaning of redemption.

With the horses as their guiding spirits, they embark on a transformative journey that will forever change the course of their lives. In a world where hope flickers amidst adversity, they prove that the horses know more than we ever imagined.
