The book is based on extensive interviews with antiwar activists, as well as archival research. The author, David Cortright, provides a detailed account of the movement's origins, its major campaigns, and its impact on American society.

The New Antiwar Soldiers is a powerful and inspiring story of how a small group of activists can make a big difference. The book is a must-read for

anyone who is interested in peace and social justice.

The Origins of the New Antiwar Movement

The new antiwar movement emerged in the United States in the late 1960s and early 1970s. The movement was a response to the Vietnam War, which was increasingly seen as a failure. The war had also led to a rise in antiwar sentiment in the United States.

The new antiwar movement was led by a new generation of activists who were determined to change the way that Americans thought about war. These activists were often young, idealistic, and committed to nonviolence.

The Major Campaigns of the New Antiwar Movement

The new antiwar movement organized a number of major campaigns, including:

- The Moratorium to End the War in Vietnam (1969)
- The May Day Protests (1971)
- The Winter Soldier Investigation (1971)
- The Vietnam Veterans Against the War (VVAW) (1967)

These campaigns were successful in raising awareness of the war and its impact on American society. They also helped to build support for the antiwar movement.

The Impact of the New Antiwar Movement

The new antiwar movement had a significant impact on American society. The movement helped to change the way that Americans thought about

war. It also helped to create a more critical and skeptical public opinion about war.

The new antiwar movement also influenced American foreign policy. The movement helped to end the Vietnam War and it made it more difficult for the United States to wage war in the future.

The Legacy of the New Antiwar Movement

The new antiwar movement is a powerful and inspiring example of how a small group of activists can make a big difference. The movement's legacy is one of peace and social justice.

The New Antiwar Soldiers is a must-read for anyone who is interested in peace and social justice. The book is a powerful and inspiring story of how a small group of activists can change the world.

David Cortright is a peace activist and historian. He is the author of several books on the antiwar movement, including *Soldiers in Revolt: The American Military Today* and *Peace: A History of Movements and Ideas*.
