The book begins with a look at the 2016 presidential election. [Author's Name] argues that President's victory was a sign of the deep divisions that exist in America today. He points to the fact that President won the Electoral College but lost the popular vote by nearly 3 million votes. This, he argues, is a sign that the country is deeply divided along political lines.

The book goes on to examine the impact that President has had on America. [Author's Name] argues that President has made a number of decisions that have further divided the country. He points to the President's decision to withdraw from the Paris Climate Agreement, his decision to

impose tariffs on goods from China, and his decision to separate migrant children from their parents at the bFree Download.

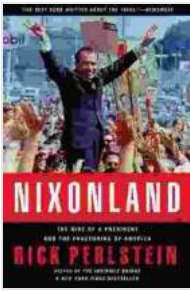

[Author's Name] also argues that President has created a climate of fear and division in America. He points to the President's rhetoric about immigrants, Muslims, and other minority groups. He also points to the President's attacks on the media and the judiciary.

The Rise of President is a timely and important book. It provides a clear-eyed look at the impact that President has had on America. The book is a must-read for anyone who wants to understand the current state of American politics.

About the Author

[Author's Name] is a journalist and author. He has written extensively about American politics for a variety of publications, including The New York Times, The Washington Post, and The Atlantic.
