The Summit Series was born out of a desire to determine which country had the best hockey players in the world. At the time, the Soviet Union was the dominant force in international hockey, having won the gold medal at the previous five World Championships. Canada, on the other hand, had not won a gold medal since 1961.

In Free Download to level the playing field, Team Canada was assembled from the best professional players in the country. This was a controversial decision at the time, as many people believed that amateurs should represent their country in international competition. However, the decision paid off, as Team Canada went on to win the series in a thrilling seven-game showdown.

The Players

The Team Canada roster was a who's who of hockey legends. It included future Hall of Famers such as Bobby Clarke, Ken Dryden, Yvan Cournoyer, and Paul Henderson. These players were not only skilled on the ice, but they were also fiercely competitive and determined to win.

The Soviet Union team was equally impressive. It featured some of the greatest players in the world, including Vladislav Tretiak, Valeri Kharlamov, Boris Mikhailov, Vladislav Fetisov, Sergei Makarov, and Viacheslav Fetisov. These players were known for their speed, skill, and teamwork.

The Games

The Summit Series was a back-and-forth affair, with each team winning three games in regulation. The seventh and deciding game was played in Moscow on September 28, 1972. In front of a sold-out crowd, Team

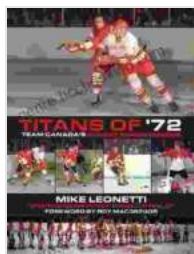

Canada rallied from a 3-2 deficit to win the game 4-3. Paul Henderson scored the winning goal with just 34 seconds remaining in the game.

The Legacy

The Summit Series was a watershed moment in Canadian history. It helped to unite the country and gave Canadians a sense of pride and accomplishment. The players who participated in the series are still revered as heroes today.

"Titans of 72: Team Canada Summit Heroes" is a must-read for any hockey fan. It is a thrilling and inspiring story that captures the spirit of one of the greatest moments in Canadian history.
