## A Historical Fiction Novel

Union Daughter: The Low Country is a historical fiction novel that tells the story of Sarah Anne Ellis, a young woman who comes of age during the Civil War. The novel follows Sarah as she navigates the challenges of living in a divided nation and finding her own place in the world.

Sarah is the daughter of a Union Army officer and a Southern plantation owner. She has grown up in a world where the lines between right and wrong are blurred. When the war breaks out, Sarah is forced to choose between her loyalty to her family and her loyalty to her country.

Union Daughter: The Low Country is a coming-of-age story that explores the themes of love, loss, and identity. The novel is set against the backdrop of the Civil War, but it is also a story about the human experience. Sarah's journey is one that we can all relate to, regardless of our own backgrounds.
