## **Essay Excerpts**

To give you a taste of what you'll find in the book, here are a few excerpts from successful HBS application essays:

"I am a first-generation college graduate, and the first in my family to pursue a career in business. I was raised in a low-income household, and my parents worked tirelessly to provide for me and my siblings. Their sacrifices instilled in me a deep appreciation for the power of education and the importance of giving back to my community."

"As a product manager at Google, I led the development of a new search algorithm that improved user engagement by 15%. This experience taught me the importance of data-driven decision-making and the power of collaboration."

"My passion for finance stems from a deep belief that capital markets can be a force for good in the world. I am particularly interested in the role of impact investing in promoting sustainable development and social justice."
