Quanah Parker was the last chief of the Comanches, a Native American tribe that once roamed the vast plains of Texas and Oklahoma. He was a fierce warrior and a brilliant strategist, but he was also a man of peace who fought for his people's survival in the face of overwhelming odds.

Quanah Parker was born in 1845 to Peta Nocona, a Comanche chief, and Cynthia Ann Parker, a white woman who had been kidnapped by the Comanches as a child. Quanah grew up to be a skilled warrior and a respected leader. He fought against the United States Army in the Red River War of 1874-1875, and he was one of the last Comanche chiefs to surrender.

After the Red River War, Quanah Parker led his people to a reservation in Oklahoma. He worked to improve the lives of his people, and he became a respected voice for Native American rights. He died in 1911, but his legacy lives on.

Warrior of the West is an extensively researched and powerfully written biography of Quanah Parker. It is a must-read for anyone interested in Native American history, the American West, or the life of one of the most fascinating figures in American history.
